

## John Moyung's testimony

I was born in a Christian family in China. But I was not able to attend any worship or hear any gospel in my childhood. As I became an adult, I got the chance to go to church occasionally. However, I never opened up my heart and walked closer to the God. I chose to believe myself and thought I could handle everything in my life, by myself.

Of course, I was wrong. Two years ago, my heart went wrong. I was so close to death. Luckily I recovered well. Yet, I realized that it was no luck, but God, he has been there watching over me. Since then, I started to open up my heart and tried to understand more about our Holy Father. Yet, I admitted that I was actually a sinner.

Today, I could see all the grace and blesses I have from Holy Father. With his grace and love, I survive and continue to live well.

Thank you to Holy Father. You had sent your son and only son, Jesus Christ, to this world to save me. I believed that Jesus Christ died and rose again for me.

Today I believe, with all my heart, that there is a Holy Father. And Jesus is the way to the Father---“I am the way and the truth and the life....” (John14:6)

我出生在中國一個基督教的家庭，但是我小時從來沒有听过福音或是去过教會做崇拜。成年後，我間中也有去教會，但是我就從沒有打開过自己的心，去听和想神的话语。我一直相信自己的生命要靠自己，自己能解决所有的问题，不需要靠什么……

當然，我錯了！兩年前，我的心臟出了问题，还好，我康復了。事後，我开始想，我死不了不是幸運，是天父在保守着我。自此，我就开始打开我的心，试着去认识神，……终于，我意识到我是一个罪人…

今天，我看到天父给我的恩典及祝福！由於祂的大能及慈愛，我活着，並且使我内心得着平安！

感谢您天父！

## Lacy Lee's testimony

Thank you Lord and Thanks to the Gilead Bible Church for giving this chance to do my testimony today.

Since I was young, I was very independent already. Although my life had never been easy for me all, I never complained. I just walked through it myself. That was also why all those years, I chose to believe myself. I believed that my life should be in control of my own hand. Therefore, I never gave myself any chance to walk close to God. I thought, I had been running my life in the right direction all these years. Of course, that was not quite right. Life was life. As my life went on, there were times and moments that I had been in deep pains and difficulties. There were times that I had felt hopeless and I needed peace, but didn't know how I could have it.

Few years ago, I started to receive gospel materials from someone I knew and not knew. And ... I started reading them. Ah Ha! .....Really!.....That is why? .....I see!.....Wow!.....Those were the reactions when I started reading them...then I told myself that there is sure someone very special up there.....and his name is God.!

About one and a half years ago, I had a car accident on the freeway. The car was badly damaged and luckily, I and my 6 teenagers inside the car were unharmed. I was so scared and after that, I started thinking about a question --- was there something guarding me? After the accident, I had panic attack very often. Then I wanted to go to a church. So I went and I prayed for God. I thanked him for watching over me and my family. I started to read the bible everyday and I read it seriously. That really calmed me down a lot! Instantly, I could see God's mercy on me, how much he loves me! However, I still couldn't understand why I have sin...

Then 10 months ago, I witnessed God's grace and mercy on my friend. And that was also the cause for me to realize that I am a sinner.

My friend, she was diagnosed with cancer. Shortly after she was discharged from the hospital, I asked her if she has anything want to do. I knew she was despaired at that time. I wanted to help her, anything if I can do for her, I would do for her. Then she told me that she wanted to go to a temple and pray for Po Sa. Although I was a little hesitated because I was half way into God already, I still offered my companion to drive her to the temple. We went and we did what we did in the temple. My friend and her mother made a wish, but the response was a bad one. On our way home, there was not much talking because we were all even more despaired than before we went. Meanwhile, I felt like there was a big boulder pressing into my heart! I started to feel guilty. I shouldn't have brought her to the temple. That night, I prayed to God. I told God that I had made a stupid thing and asked him to forgive me. That night, I confessed to God that I am a sinner. That was how I got to understand my sin, finally.....Then, I gave my friend a bible, some gospel materials. I told her that God could help you, forget the Po Sa....So, she listened and she started to read the bible. .... Very soon, she accepted God as her life savor.

Hopes came back to her, peace filled up her heart!.....And she was ready to fight for her battle. From my friend, I witnessed the grace, the mercy and the love from God.

Today, without any doubt, I believe, with all my heart that there is a God. God loved us and he sent his only son, Jesus Christ, to this world to save sinners. I believe that Jesus Christ died for my sins and he was raised on the third day.

Thank you Lord for giving me a new life today!
