

May 9, 2015 Mother's Day Celebration
Sister servants -2015 by Sister Karen Ho

Our theme this year is "Make Me A Servant". Our church is special comparing to other churches because we have a very high percentage of brothers and sisters who serve the Lord in more than one capacity. God is very gracious to us that He gave us many gifts. God also showed us that His power is made perfect in weakness.

On this Mother's day, as a church we would like to recognize a few sisters who have served our Lord in many ways.

See if you know who they are...

The first one goes to a sister who got out of her comfort zone, spent lots of time in studying God's word in order to allow God to equip her to lead the sister Bible studies. She also stepped up to the plate to be an auditor for the first time. In addition, she has a passion to cook and she had served our church with many of her delicious dishes. And... this sister is Karen Zhou!

The second one goes to a sister who courageously distributes the Herald newspaper and other gospel material to her community and neighbors on a regular basis; not only does she faithfully send out birthday cards, thank you cards, thinking of you cards but she also goes visit people to show the love of Jesus Christ. On the home front, she is our translator between Mandarin and Cantonese and vice versa. And... this sister is Lin!

The third one goes to a sister who faithfully serves the church many years behind the scene. No matter how challenging a task has become to her, she would just keep on going without a complaint. She has been keeping the book for our church in a very organized manner. She creates and prints our bulletin every week, rain or shine. She has yet another gift, hand crafts. She taught our sisters to make our church's Mother's day gifts for the last few years. And... this sister is Jolene!
